The American Rifleman was founded in 1885 by Colonel William C. Church, a Union Army veteran who had served with distinction during the Civil War. Church was a strong advocate for the Second Amendment and believed that the right to keep and bear arms was essential for the preservation of a free society.

The early issues of The American Rifleman were primarily focused on military topics, but over time the magazine began to publish more articles

on hunting, target shooting, and other firearms-related topics. In the early 20th century, the magazine became a leading advocate for gun rights and played a key role in the passage of the National Firearms Act in 1934.

The American Rifleman has continued to be a strong advocate for gun rights in the decades since its founding. The magazine has fought against gun control measures such as the Gun-Free School Zones Act of 1990 and the Brady Handgun Violence Prevention Act of 1993. The magazine has also been a vocal critic of the Obama administration's efforts to reduce gun violence.

The American Rifleman is more than just a magazine; it is a symbol of the American gun rights movement. The magazine's readers are a diverse group of people who come from all walks of life, but they all share a common belief in the importance of the Second Amendment.

The American Rifleman has been a powerful force in the American gun rights movement for over a century. The magazine has helped to educate Americans about the Second Amendment and has fought against gun control measures that would infringe on the rights of law-abiding gun owners.

The American Rifleman is a valuable resource for gun owners. The magazine provides its readers with the latest news on gun rights, firearms, and shooting sports. It also provides its readers with a forum to express their views on gun-related issues.

If you are a gun owner, I encourage you to subscribe to The American Rifleman. The magazine is a valuable resource that will help you stay informed about gun rights and firearms.
